INTERNATIONAL BACCALAUREATE

The International Baccalaureate Organization is a non profit educational foundation based in Switzerland. Three programs servicing students aged 3-19 offer a wealth of opportunities for students and staff ranging from curriculum, assessment, training and other educational opportunities.

The Primary Years Program: Ages 3-12

“The primary years programme offers a comprehensive approach to teaching and learning. The curriculum framework consists of five essential elements: concepts, knowledge, skills, attitude, action. The knowledge component is developed through inquiries into six transdisciplinary themes of global significance, supported and balanced by six subject areas.” The six subject areas are: Language, Social Studies, Mathematics, Arts, Science & Technology, and Personal, Social & Physical Education.
